Attachments: removed.txt

Mike,

We've received the comments. CFAC and Roux will prepare a response and revise the SAP Addendum according to these comments.

Subject: Comments on SAP Addendum

Hi Mike,

Here are the comments we have compiled from our reviews of the SAP Addendum. I think there are some comments in regards to the overflow drainage which may belong to the City or County, I'm not sure but you can address that in your response to comments.

Thanks
Mike
